Plaza Stone Large Rectangles Only (60mm)

Plaza Stone is a timeless paving stone with an impressionistic embossed surface profile. It creates a gentle and warm effect by combining the soft curved edges of the rectangular and square stones. Plaza Stone is available in many colors and in standard or Heritage™ Series (tumbled) finish to accommodate the most discriminating tastes and desires. Plaza Stone uses large-scale patterns to create interest and drama to commercial landscaping, while the stone's texture and pattern harmonize with surrounding buildings and site furnishings.
